Reading permission in Ladok

Reading permission in Ladok only gives access to educational programme information and information about students at the University of Borås. You can apply for permission if you need access to Ladok for your work.

If you need increased permissions in the system, application must be made using another form. Look for forms for reporting, certifying, or administrator privileges at Ladoks web page.

External requests for information from Ladok should always be referred to ladok@hb.se.

This user is permitted to have the following permission in Ladok:

Reading permission

- I am aware that when I use the system, it is linked to my user identity.
- As a user, I commit to logging out of the system when I leave my computer.
