Republic of Korea

INHA University

“INHA University boasts a long tradition and heritage focusing on the natural sciences and engineering, and has produced generations of qualified engineers, entrepreneurs, and experts in various industrial sectors.

Incheon, INHA University’s hometown, especially since the opening of Incheon International Airport, is now gearing up to become a hub of international logistics and business for the Northeast Asian region.”⁸

INHA University is located in Incheon, Korea’s third largest city by population (2,7 million). Seoul is located approximately one hour by metro, an affordable way for students to transport.

Exchange students from Borås are required to study minimum 6 courses, often corresponding to 18 INHA credits. INHA offer a lot of courses in Business. Often, students must combine courses from different departments. In the application, exchange students apply for one department and will be given priority to these courses during registration. At the second step of the registration, exchange students may select courses from other departments as well, but on the principle first come, first served.

Examples of courses that previous students have studied are:

- Introduction to Hospitality Management (3 credits)
- International Service Management (3 credits)
- Digital Marketing (3 credits)
